Texas Transportation Code Section 545.356 allows a city to set a speed limit lower than 30 miles per hour, but not less than 25 miles per hour, on a highway if:

- the highway is not an officially designated or marked highway or road in the state highway system;
- the highway is 35 feet or less in width;
- vehicular parking is not prohibited on one or both sides of the street;
- the highway has less than four lanes used for vehicular travel; and
- the Council finds that the previous prima facie speed limit is unreasonable or unsafe.

The City of Austin Public Works Department recommends the 25 mile per hour speed limit for certain streets in the area bounded by E. Riverside Drive to the north, S. Pleasant Valley Road to the east, E. Oltorf Street to the south, and I.H. 35 East Frontage Road to the west. The lower speed limit will reduce the potential for vehicle-pedestrian accidents. Most of the streets within the area are eligible for a 25 mile per hour speed limit. The exceptions are Anken Drive from Willow Creek Drive to S. Pleasant Valley Road, Briar Hill Drive from Crooked Lane to Woodland Avenue, Burton Drive from E. Riverside Drive to E. Oltorf Street, Parker Lane from E. Riverside Drive to E. Oltorf Street, Royal Crest Drive from Woodland Avenue to E. Riverside Drive, Valley Hill Circle from Burton Drive to the end of Valley Hill Circle, Willow Creek Drive from E. Riverside Drive to E. Oltorf Street, Willow Hill Drive from S. Pleasant Valley Road to the end of Willow Hill Drive, Woodland Avenue from I.H. 35 East Frontage Road to Willow Creek Drive, because these streets are wider than 35 feet. They are not included in the recommended Code changes. The ordinance includes a finding that the previous prima facie speed limit is unreasonable or unsafe, in accordance with the statute.

Staff recommends that Section 12-4-64(D) be amended to add the following streets to the list of streets with a maximum speed limit of 25 miles per hour.
